

NSF CAREER Workshop

The CAREER is NSF's most prestigious program in support of early-career faculty who have potential to serve as role models in research and education.

Brad Berron, Assoc. Prof. Chemical Engineering and NSF CAREER awardee, and **Shana Herron**, Sr. Proposal Development Officer will dissect the CAREER guidelines, offer strategies for integrating research and education, and present proposal preparation tips. Bring your questions and learn about additional UK support for CAREER proposals.
